### *TRANSFER CREDITS AND ACADEMIC RESIDENCY*

Credits may be granted, at the discretion of the Yeshiva, for courses taken at another postsecondary institution of Talmudic Studies providing the following conditions are met:

- The credits transferred must be based on course work similar in content, style and academic rigor to the one offered at the Yeshiva.
- The student must have achieved a grade that would have enabled him to pass a similar course at the Yeshiva.
- All credits must be properly documented.
- Transfer credits accepted are counted toward the number of attempted credits and the number of credits earned by the student.

Knowledge, experiences, and prior enrollment in courses related to the field of Talmudic Studies may be eligible for transfer credits as prior learning experience. These credits are assessed when the student is admitted to Beis Medrash Heichal Dovid.

An evaluation may be performed that assesses the student's competency in reading and interpreting Talmud and measures analytical skills and critical thinking and reasoning abilities. The evaluation ascertains the level and type of study appropriate for the students in Beis Medrash Heichal Dovid. The student is then awarded credits by evaluation.

In addition to the degree requirements described in the section detailing the academic programs offered at Beis Medrash Heichal Dovid, there is a 33-credit academic residency requirement for the First Talmudic Degree, in which the last semester must be completed at the yeshiva.

Beis Medrash Heichal Dovid does not have any articulation agreements with regard to whether the Yeshiva will accept credits from other institutions nor with regard to whether other institutions accept the Yeshiva's credits. Before enrolling in the institution, students should be sure that their attendance will help them reach their educational goals.

Please be advised that the transferability of credits and acceptance of the degrees earned at Beis Medrash Heichal Dovid are at the complete discretion of an institution to which a student may seek to transfer. If the credits or the degrees earned at this institution are not accepted at the institution to which a student seeks to transfer, he may be required to repeat some or all of the coursework at that institution.
